Fees

BTFC operate a 'pay-to-play' system. You may choose from two ways to pay for your football:

- A one-off payment of £135 for the whole 2010/2011 season. With your manager's agreement, this may be paid in a maximum of two instalments. Payment of the whole sum covers all match fees and training fees.
- A one-off payment of £10 towards training costs, followed by a match fee of £5 for every game during which you take part. Match fees are to be made to your manager after the match.

NB. Any fines incurred by you during the season (eg for red and yellow cards) must be repaid within 7 days of being informed that the club has received the relevant documentation.
